Dear Parents,

We are full of anticipation and excitement about what God will do in our lives and in our classroom community this year! What would we ask Him to do? We would ask Him to breathe a spirit of love into each of us - child, parents and teachers. As a result, our classroom would become a safe and nurturing place where every student is accepted and valued for who he/she is meant to become in the eyes of God.

What do we ask of you? We ask that you be faithful in praying for the teachers, staff, board and students of Calvin Christian School. Pray that we may know the depths of compassion and understanding as we strive to be more like Jesus and that we would ask, "What would Jesus do?" before we act or speak.

Of your son/daughter, we ask that he/she be open to the adventure of the year ahead. We welcome your ideas and invite you to deal with any concerns immediately. If it bothers you, it is worth the time to resolve it. After all, you are a part of the team!
